PURPOSE:

The purpose of providing financial assistance in the case of emergency situation(s) that affect payment of rent or utilities is to 1) provide necessary referrals to assist in resolving said emergency situation 2) ensure financial stability after said emergency situation has resolved itself, and 3) assist the community in becoming more financially savvy in future endeavors.

INFORMATION ON RECEIVING FUNDS:

Clients can receive emergency assistance from the City of Champaign Township once every 24 months. When there are instances in which a client is applicable for more than one type of emergency assistance funding, they are able to apply for funding back to back. Once a client has received funding from all applicable funding sources, the client must find other sources of financial assistance not related to the City of Champaign Township's Emergency Assistance program during the gap of time in which they are not eligible for funding (this would be during the 24-month period in which clients cannot receive duplicate funding). Clients also may not receive separately if they were previously included in an application for emergency assistance with another household member within the past 24 months.

You may receive emergency assistance even though you have applied for and have been approved for TANF, AABD, RRA or SSI.

If you have questions about emergency assistance or the program requirements or particulars, you should direct all questions to staff at the City of Champaign Township.
