

REPORT TO TOWN BOARD

FROM: Kyle Patterson, Township Supervisor

DATE: June 6th, 2025

SUBJECT: Resolution 2025-0601, A Resolution approving an intergovernmental agreement between the City of Champaign Township and Cunningham Township for the use of Rapid Rehousing funds.

INTRODUCTION:

If approved, this Resolution would establish an intergovernmental agreement between the City of Champaign Township and the Cunningham Township to administer rapid rehousing funds that COCT received from IDHS to assist residents of Champaign Park Apartments in Champaign and Havenstone Apartments of Urbana.

BACKGROUND: Pursuant Section 10 of Article VII of the Illinois Constitution of 1970 and the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq. enables the parties to enter into agreements among themselves and provide authority for intergovernmental cooperation.

This agreement would have CTSO execute funds for rapid rehousing not to exceed \$57,240 through IDHS funds and \$20,976 through ESG funds to assist households from Champaign Park Apartments and Havenstone Apartments in Urbana, which were both condemned by their respective city governments. The reason for this IGA is due to COCT having received these funds but does not have additional staffing to take on this task, while CTSO has the staffing capabilities to case manage these households.

RECOMMENDATION:

Approve the resolution in order to provide assistance to displaced residents of Champaign-Urbana.

IMPACTS:

Between the two apartment complexes CTSO made contact with 19 households, most of which require assistance. This IGA will allow assistance to be provided to these residents by allowing CTSO to utilize their staff to allocate these funds.

City of Champaign Township
